FASNY is committed to providing support to the volunteer fire service of the State of New York. Through its membership, FASNY provides up-to-date education and training opportunities, fights for state and national legislation, awards scholarships and provides a haven for retired volunteer firefighters at the Firemen's Home. But in order to offer the resources and programs that help volunteer fire and emergency service departments thrive throughout New York State, FASNY must rely heavily upon the backing of its membership.

Since 1872, the Firemen's Association of the State of New York (FASNY) has provided information, training and education for the volunteer fire and emergency medical services throughout New York State.

The FASNY Fund

For the past century, departments and individuals just like you have supported the mission of FASNY. Gifts of all sizes have truly benefited our members and the communities we serve. Together, let's continue to assist the volunteer fire service of New York State. Your support makes the difference between opportunity and limitation.

As part of the fundraising initiative, you have the option to designate your donation to support a specific program of your choice:

FASNY General Fund

The FASNY Fund represents the areas of greatest need. These include legislative support, training and education, fire prevention and life safety and youth programs, among other important initiatives.

Firemen's Home: Operation Small Change

Donations to Operation Small Change help support operations of the Home and provide financial stability to our organization.

Firemen's Home: Chapel Fund

Donations to the Chapel Fund provide the crucial assistance needed to fund improvement projects set forth by the Firemen's Home. These donations make a lasting difference in the peaceful, spiritual atmosphere of the Chapel and in the lives of the residents.

FASNY Scholarship Fund

Every year since 1998, top service oriented high school seniors have been awarded a Gerard J.Buckenmeyer FASNY Volunteer Scholarship to continue their post secondary education at a college of their choice. Your donation supports the continuation of this program.

One of the easiest ways to give is through a matching gift program, where a company will match donations to charitable organizations by an employee. These matches are often dollar for dollar, which doubles your charitable contribution to the volunteer fire service of New York.

Another program companies may use is Dollars for Doers Program where matching funds are used to support employee volunteer hours.

Do you work for a matching gift company?

Contact your human resources office for details or visit our matching gift search page www.matchinggifts.com/fasny/.

If your company is eligible, request a matching gift form from your employer, and send it completed and signed with your gift. We will do the rest. The impact of your gift to the FASNY Fund may be doubled or possibly tripled! Some companies match gifts made by retirees or spouses.
