

Pre-Conference Workshop

February 5, 2010 at the **Coram Fire Department, Coram, Long Island**

March 5, 2010 at the **NYS Fire Academy, Montour Falls**

This one-day workshop will provide eight hours of BLS Training that an EMT Basic or AEMT Intermediate may apply towards the EMT-B "Core" Refresher Training of their NYS CME-Based Recertification Program. These eight hours may also be applied towards the Mandatory Core Content required by the NREMT, meeting the objectives of the DOT EMT Refresher. This offers an opportunity to get started in meeting the Core requirements, or to add on to Core training obtained elsewhere. This workshop will be a well-rounded review, covering only in part several Core topic subjects. It will not alone meet all of the required Core Refresher Training.
