

FIREMEN'S HOME WISH LIST

The Firemen's Home provides the absolute best care in the very best facility anywhere. The Home is truly a "Home away from Home." These are our brothers and sisters, and it is our privilege to provide them with everything that they need for their care and comfort.

Together as a family of fire service organizations – auxiliaries, sectionals, county associations, fire departments, chartered benevolent and exempt associations, as well as individual FASNY members – we can help offset some of the costs that the Firemen's Home incurs in providing needed medical, therapeutic and health related items.

We call it our Wish List. Please understand that what we wish for is your help, care and support for our less fortunate brothers and sisters at the Firemen's Home. Your contribution will take a burden off of the Association and help to insure the quality of care for years to come.

Please consider making a specific gift to offset the costs of some of the items that we provide to our Members. Some of the items that we must buy are listed below. Any help you can give will be deeply appreciated. Your gift will be applied to the cost of the equipment that you designate.

For more information, please contact any of the members of the Board of Trustees
